

## Soto Grand Square Cocktail

|            |                                                                                                                                |
|------------|--------------------------------------------------------------------------------------------------------------------------------|
| ITEM#      | : 119004                                                                                                                       |
| DIMENSIONS | : 18"H x 52"SQ                                                                                                                 |
| UNIT       | : EA                                                                                                                           |
| MATERIAL   | : stainless steel/ reclaimed elm                                                                                               |
| FINISH     | : shiny nickel/ icy grey                                                                                                       |
| ITEM NOTES | : Rustic reclaimed elm surfaces turn industrial-chic when they're stained icy grey and framed in shiny nickel stainless steel. |
